Reggie Henry Bio

Reggie Henry has been the Head Coach of our Varsity B team for the last six seasons. In his six seasons, he has coached his teams to three City Championships. His record as coach is 108 wins to just 36 losses; with a 11-3 playoff record, the best among Varsity B Coaches in that time. Coach Henry has been able to secure scholarships for many of his graduating seniors, with many others having very successful Division 3 careers.
