Boys Camp Director:

GREG LEMKO

Coach Lemko, the boys camp director at the Royals Basketball Camp, is the boys freshman head and varsity assistant coach at Christ the King. For the past 16 years no freshman coach in the Catholic League has been more successful than Coach Lemko. Over those 16 years Christ the King freshman teams have won 6 city championships and have finished in first place in the league 9 times and over that span he has compiled an outstanding overall record. Coach Lemko also coordinated the varsity weight training program along with his off season duty of coaching the varsity summer team.

Girls Camp Director:

BOB MACKEY

Bob Mackey has coached in the CHSAA for 26 years, for the last 19 the girl's at Christ the King HS. He has coached teams to 5 National Championships, the last in 2006. Christ the King has been the benchmark for girls basketball for the past 2 decades winning 14 State Championships. Coach Mackey has been the Camp Director at both Five Star and Eastern Invitational. He is the CYO Coach for soccer and basketball at St. Patrick's in Smithtown as well as the parent of a camper. Coach Mackey will oversee all aspects of camp.

A Message from COACH ARBITELLO

Our goal at the Royals Basketball Camp is to bring together young players from all over the area in an environment that will teach them the skills of the game as an individual and stressing the idea of being part of a team. We are also interested in teaching them the importance of sportsmanship. Keeping in mind that everybody plays to win but one must be prepared if the outcome is a loss.

Players are divided up by age and skill level, and put into different leagues. Each league will have many teams within it. Players will be placed on a team of no fewer than eight and no more than ten campers and will compete against teams within their own league. All campers play an equal amount of game time.

The Christ the King Girls and Boys Basketball Programs are recognized for their many championship seasons and a win loss record that is second to none.
